How-to-Dynamics (1/2)

- Arrive at the event when you wish to do your run.
No hanging around pointlessly.
- Speculating in "late run" for certain track conditions is YOUR gamble.
- Ready to race = Belts buckled, helmet & gloves on, Car in ready condition.

Please ask your questions via sli.do not in the YouTube livestream!

How-to-Dynamics (2/2)

- Scrutineers will do spot checking on all of these on all events.
- Handheld umbrellas only. No tents, tarps, pavillions etc.
- We will handle the cleanliness of the dynamic area. Don't bring brooms.
