# How-to-Dynamics (1/2)

- Arrive at the event when you wish to do your run.  
No hanging around pointlessly.
- Speculating in "late run" for certain track conditions is YOUR gamble.
- Ready to race = belts buckled, helmet & gloves on, car in ready condition.

# How-to-Dynamics (2/2)

- Scrutineers will do spot checking on all of these on all events.
- Handheld umbrellas only. No tents, tarps, pavilions etc.
- We will handle the cleanliness of the dynamic area. Don't bring brooms.
- Cardboard figures do not count as "wingmen" – Dynamic vest or not

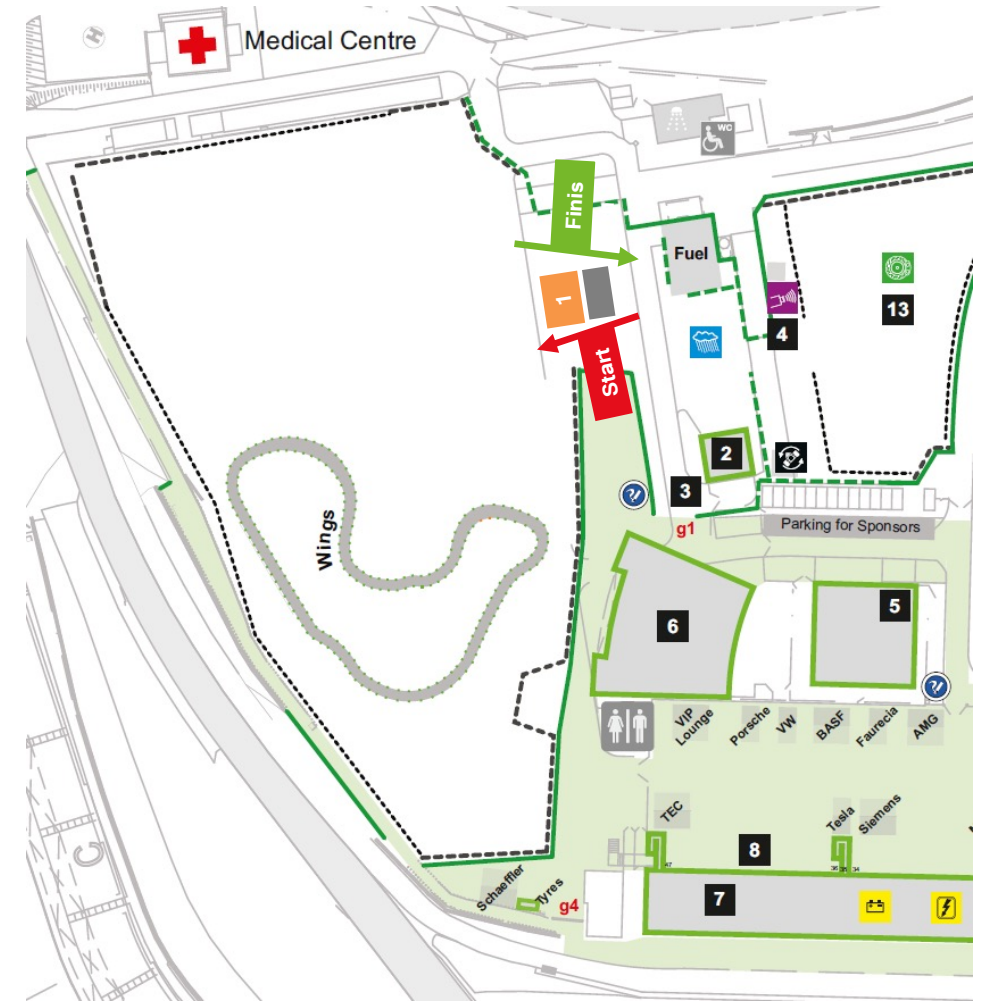

# Practice Tracks

- North Stand: 8:30 to 19:00 – Though priority will be given to requested EBS testing
- Track time 3 - 5 min / run
