How-to-dynamics

- Arrive at the event when you wish to do your run – no hanging around pointlessly
- Speculating on “late runs” for certain track conditions is YOUR gamble
- Ready to race = **Ready to race**
- Technical Inspectors will do spot checking during all dynamics
- Handheld umbrellas only. No tents, tarps, pavilions etc.
- We will handle the cleanliness of the dynamic area. Don't bring brooms

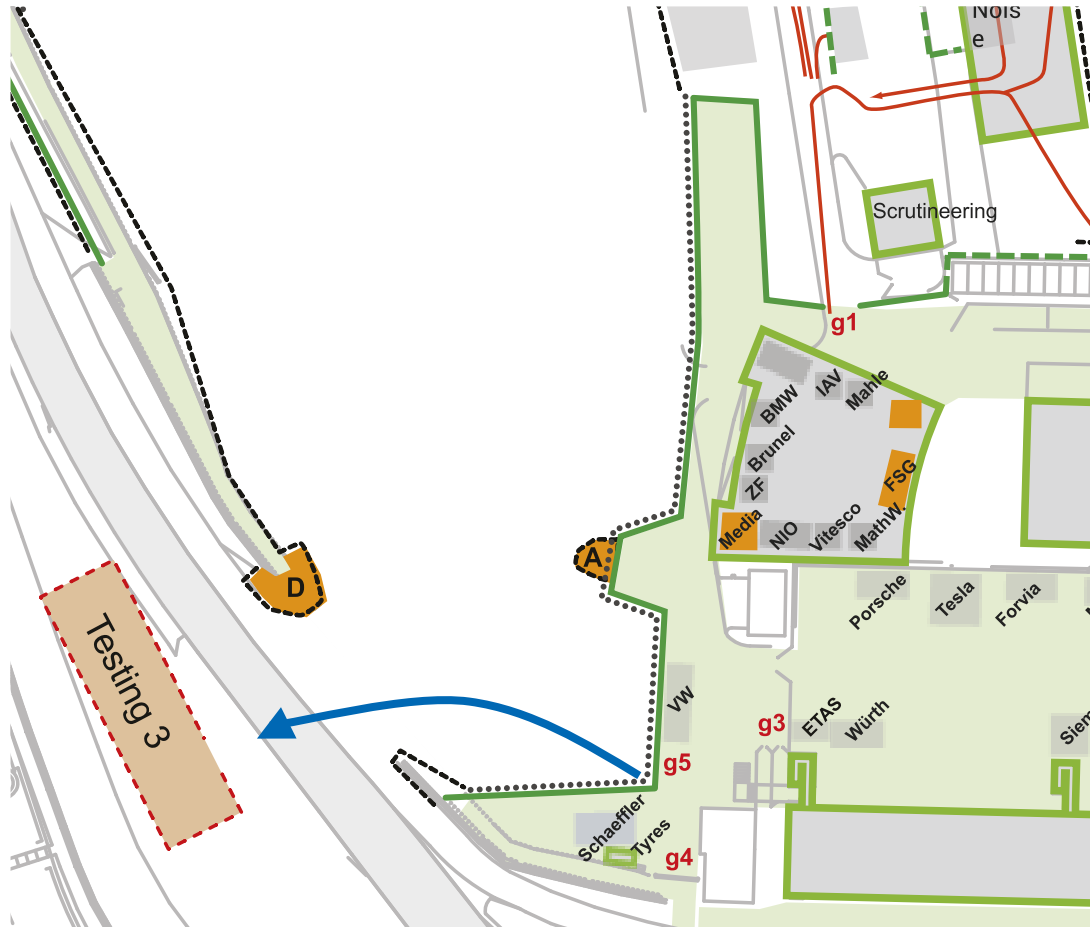

Dynamics - Practice area

Practice Area

- Dynamic A: 8:30 to 18:30
- Access via gate 1
- Track time 3 - 5 min / run
- Sign in the list at the marshals
- Running order is list based
- After testing please take all your equipment with you

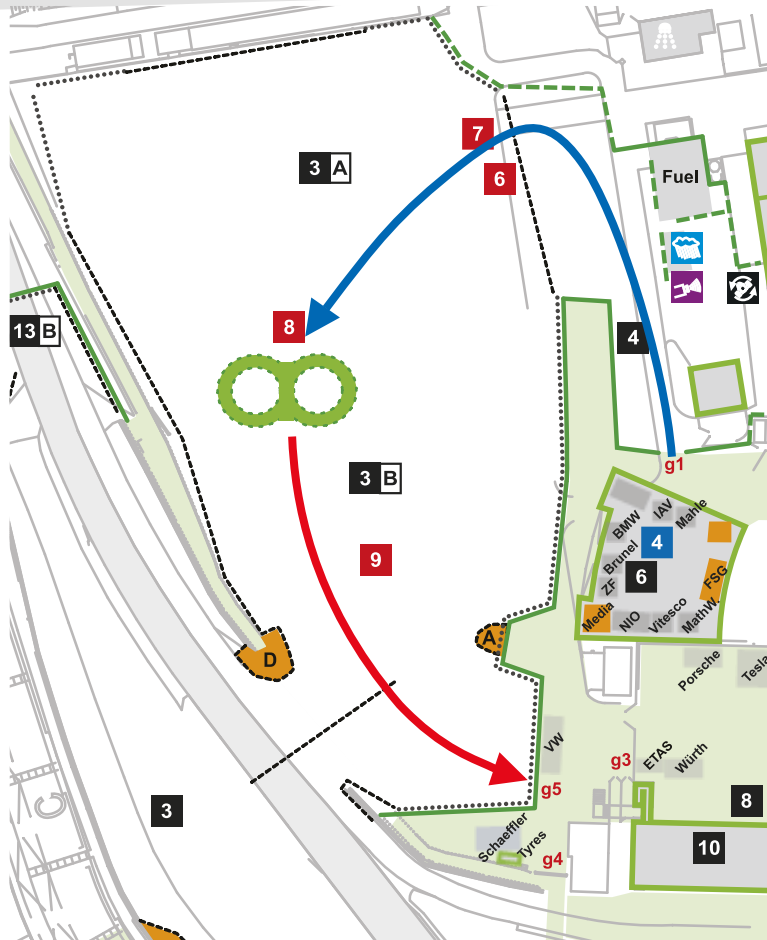

Dynamics - Practice area

Practice Area (EV only)

- Test Area B: 8:30 to 18:30
- Access via gate 5
- Track time 3 - 5 min / run
- Sign in the list at the marshals

Dynamics – Driverless SkidPad

Driverless Skidpad

- Dynamic B: 15:00 to 19:00
- Entry via gate 1
- Exit via gate 5
- We planned enough time - you are responsible to show up in time
- In the last hour there might be long queues
- Please keep in mind rules D2.6 & D9.1.16

Dynamics – Driverless SkidPad

- 2 runs per team
- 2 laps to the right, 2 laps to the left
- Two lane queue – one for “1st attempt” and one for “2nd attempt”
- Teams on their 1st attempt will be given priority
- The gong marks the end of the session. Teams currently running or with a green flag can finish their runs!
- **Penalties**
 - cone down or out (DOO): 0.2 sec
 - off course (OC): DNF
 - Wrong number of laps: DNF
 - Wrong direction: DNF

Technical Inspection Reminder

- Before dynamics and post-inspection: please check team responsibility items for rules compliance!
 - Aerodynamics, University Name, Vehicle Numbers, etc.
 - Especially Brake Over Travel Switch, TSAL etc.
 - Fluid leaks (make sure vehicle is clean, check gearbox, brake system, seals)
