## Open Letter to the FSG Executive Committee

Dear FSG Executive Committee,

We write this letter as a group of teams that are participating the 2021 Formula Student Germany Competition following the Formula Student East Competition, which takes place 7<sup>th</sup> until 11<sup>th</sup> of August 2021. Since the Static Events of FSG are scheduled to take place on 12<sup>th</sup> and 13<sup>th</sup> of August, we face the logistical problem of participating in the Static Events. We will depart from Hungary early on 12<sup>th</sup> of August. Many of our team members are still required at the FS East site on the last day, so we have no possibility to depart earlier. We therefore face the lack of time for preparation and a stable internet connection on our way home in order to participate in the Statics.

We hereby kindly request the FSG Operative Team to either reschedule the Static Events to take place one day later or ask whether there is the possibility to schedule the teams participating in FS East to 13<sup>th</sup> of August. This way we are able to arrive at our universities and prepare ourselves for the Static Events.

We look forward to this year's Formula Student Germany Competition and hope for your understanding of the issue we face.

Yours sincerely,
